Hi there-

Just checking in on this. There may be more information at the FRC. We may have to ask the records center to track that down for us - I know that Saul is looking for the actual PA report and not just the score sheet.

Thanks,  
Nicole

Hi David,

Sorry I was in such a rush but I was late to my manager's meeting. I ran into Nicole and asked her about this FOIA and she said that it was supposed to be your lead since you're the RPM for the site. I suggest contacting Saul and letting him know that you supplied all of the information you could find. See if there's anything else he wants and then close out the FOIA with a letter summarizing as such.

Loren

Hi Loren,

Since this came to Nicole, I assumed that she had delegated in to her staff. I was not assigned. I had previously looked for the information at the Records Center and supplied all that was available before our initial meeting with Saul. Let me know if you want to discuss.

Hi Nicole,

I hope this email finds you well. I haven't heard from you so I'm just following up on the FOIA to see how it's going. Based on the USPS return receipt, the 20 working day deadline comes due on September 18. I'd appreciate an update when you have a moment.

Thanks,
